The 41st Season of Kauffman Stadium

The Kansas City Royals will celebrate their 41st season at Kauffman Stadium in 2014. Kauffman has always been one of the crown jewel ballparks of Major League Baseball. Having hosted 72,389,223 fans since 1973, "The K", with its signature look, has proudly stood the test of time.

After years of planning and design, the Royals unveiled an exciting $250 million renovation of a true Kansas City landmark prior to the 2009 season. Visitors enjoy an improved Kauffman Stadium experience with unsurpassed amenities and state-of-the-art technology that touch each and every fan entering the park.

After debuting the spectacular 84' x 104' Crown Vision HD scoreboard for the 2008 season, the Royals put the finishing touches on one of the most majestic and visually exciting scoreboards in the world with a brand-new interactive crown rising about 40 feet above Crown Vision.

Upon entering through the larger and grander entrances, fans have a chance to explore the stadium via a 360-degree expanded concourse while still keeping tabs on the action on the field. An increase in both concessions and restrooms limit the time spent away from your seats.

The Outfield Experience provides the fans of Kansas City entertainment for all ages. In addition, the views of the field are spectacular and give fans several brand-new locations to take in a game. Unveiled in 2012 was the largest in-stadium solar array in MLB as part of an energy partnership with KCP&L. The 120 panels on the Outfield Experience canopy provide approximately 36,000 kWh of renewable energy each year.

The outfield overhaul now gives Royals fans a chance to sit and enjoy the game from a venue not previously offered. The Outfield Box seats in left-center field sit directly behind the outfield wall and in front of the world-famous fountains. Those seats hug the Miller Lite Fountain Bar, which is built on the old JumboTron base.

In front of the fountains in left-center are the Sonic Slam seats. Right-center field offers a "standing room only" area between the outfield wall and the fountains, called the Pepsi Party Porch. This area has become among the most popular on hot summer days and nights since, at times, they are in the "splash zone" of the fountains powered by Grundfos.

The left-field area is home to the 7,000-square foot Hall of Fame, which opened in July of 2009. The Hall of Fame features numerous exciting and interactive exhibits as well as memorabilia that will delight Royals fans.

Behind the Hall of Fame and fans will find the kids area complete with the Little K with a field turf surface. In addition, there is state-of-the-art batting and pitching cages, the New Era Cap Store, five holes of mini-golf at the Sluggerrr's Putt-Putt, a Royals-themed carousel, the Blue Cross and Blue Shield Base Run and several kids-friendly food options, including a Sheridan's Signature store.

Fans move along the outfield "Walk of Fame" toward the All-Star BBQ pavilion and Rivals restaurant in right field, which boasts upscale sports bar food, the FSKC pre and post-game studios and the Budweiser Patio.

The second level of the stadium houses new Dugout concourses, concessions and restrooms.

The third level, or ground level of the stadium, feature wider concourses, fan amenities, the Kia Diamond Club premium seating area and 5,000-square foot retail store.

The Loge Level has several suite options to fit any budget while the Hy-Vee Level has been completely renovated to include wider concourses, a food court, new concessions, new restrooms and a retail store.

The new Kauffman Stadium has become a breathtaking fusion of energetic surroundings and an intimate place to watch Royals Baseball.

The History of Kauffman Stadium

Opened as Royals Stadium on April 10, 1973, Kauffman is recognized throughout baseball as one of the game's most beautiful ballparks. Since then, many exciting games have been contested, including the 1973 and 2012 All-Star Games, three no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and seven World Series tilts in 1980 and 1985. The facility was officially renamed in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993.

Before the 2004 season, the outfield fences in the gaps and in straight-away center field were moved back 10 feet to their original dimensions of 387 and 410, respectively, making Kauffman Stadium one of the most spacious parks in Major League Baseball. In addition, the warning track was changed to a natural surface, and the height of the fence is now at eight feet. The fences were moved in 10 feet from bullpen to bullpen prior to the 1995 season and lowered from 12 feet to nine feet. Also at that time, a grass playing field replaced the artificial surface at Kauffman Stadium.

Kauffman Stadium's unique features include a a 322-foot wide water spectacular. The water spectacular is the largest privately funded fountain in the world. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends near the left field corner.

Prior to the 1999 campaign, additional field level seating, known as "Crown Seats" and four dugout suites were added.

The renaming of the stadium was appropriate in that it was the strength and integrity of Ewing M. Kauffman's ownership that provided the cornerstone for the Royals success. Kauffman purchased the club as an expansion franchise in 1968 with the primary and continuous motivation of providing winning Major League Baseball for Kansas Citians.

Ewing M. Kauffman

Kauffman, who founded Marion Laboratories in his mother's basement and built it into a diversified health care company with sales reaching nearly one billion dollars, possessed a sense of daring and an innate ability to motivate those around him. "Mr. K" also gave much personal attention to the Kansas City community, an important philosophy that was inbred into the Royals organization and still remains today.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man of the Year, an induction into the Missouri Sports Hall of Fame and being named one of 20 finalists for enshrinement in the Baseball Hall of Fame in 2008. Mr. K passed away on August 1, 1993.

HISTORY

5 George Brett

Third Baseman, 1973-93

George Brett wrapped up a 21-year Hall of Fame career with the Royals in 1993 after establishing himself as one of the greatest baseball players to ever play the game.

He became the only Royal and just the 11th third baseman to be inducted into the Hall of Fame on July 25, 1999 after receiving 98 percent of the votes, the fifth-highest mark in history. He had his number retired by the Royals May 14, 1994.

At the conclusion of Brett's career, he was the only player in Major League history to amass more than 3,000 hits, 300 home runs, 600 doubles, 100 triples and 200 stolen bases. He was the first player to win batting titles in three decades (1976, 1980, 1990) and retired as the A.L. career record holder for most intentional walks (229).

Brett hit .390 in his MVP season, posting the highest batting average since Ted Williams' .406 mark in 1941.

Born May 15, 1953 in Wheeling, W.V., he captivated the baseball world with his performance in the 1985 ALCS and World Series, earning ALCS MVP honors after the Royals rallied from a three games to one deficit against the Toronto Blue Jays.

Brett posted a .373 career World Series average, going 19-for-51 in 13 games, with three doubles, one triple, one home run and four RBI. He holds numerous ALCS records after recording a career batting average of .340 in the league championships.

He culminated his career with his 3,000th hit on September 30, 1992. Overall, he guided the Royals to seven postseasons and two World Series. During his 21-year career with the Royals, Kansas City posted 15 winning seasons, including eight seasons with at least 90 wins.

Hall of Famer Bill Mazeroski (8), Ryne Sandberg (9) and Roberto Alomar (10) are the only second basemen in Major League history to accomplish the same feat. His number 20 was retired and he was inducted into the Royals Hall of Fame in 1995.

White claimed the Rawlings Gold Glove award six-straight seasons from 1977 to 1982 and missed an unprecedented ninth award in 1988 after committing just four errors that season and leading the league in fielding percentage.

White's Royals Hall of Fame portrait

He was selected to the All-Star team five times and earned the starting nod at second base in 1979. White, who ranks seventh all-time in career fielding percentage among second basemen, was named the Royals' Player of the Year in 1983 and 1986.

A native of Kansas City, White was tabbed as the ALCS MVP in 1980 after hitting .545 (6-for-11) and driving in three runs to lead Kansas City to its first-ever World Series by defeating the New York Yankees.

In the 1985 World Series, White led all players with six RBI, hitting three doubles and a home run as KC rallied from a three games to one deficit to beat St. Louis.

Following his career-best 1986 season, White was selected to the Major League All-Star team that toured Japan in the offseason. He was also named to *The Sporting News* Silver Slugger Team.

The first-ever graduate of the experimental Royals Academy, White ranks second on the club's career charts in games (2,324), at bats (7,859) and hits (2,006). He also stands in the top five in career runs, doubles, triples, home runs, stolen bases, total bases and extra base hits. He hit three inside-the-park home runs during his playing career with the Royals.

White was honored with the Ernie Mehl Award for his contribution to the Kansas City community in 1988.

One of Major League Baseball's most successful and popular managers, he compiled a 404-365 record (.525) while skippering the Royals.

He guided the club in one of the most remarkable and endearing comebacks in Major League postseason history, defeating Toronto in the ALCS and St. Louis to win the 1985 World Series. His skills and ability to maneuver the lineup and roster played an important role in the club's success, as he capitalized on a strong starting pitching staff and maximized an offense that ranked 13th in average and runs scored.

Howser's Hall of Fame portrait

Howser's World Series season was quite an encore for a manager who was named the ESPN Manager of the Year and finished second in the Baseball Writer's Manager of the Year balloting in 1984. His 1984 edition was hampered by injuries throughout the year as his starting lineup was together for only 50 of the 162 games. Despite the injuries, he guided the Royals from a sixth-place standing and a 40-51 record on July 18, to capture the A.L. West crown by compiling an astonishing 44-25 record over the last 10 weeks.

Overall, he compiled a 507-425 (.544) record at the big league level after guiding the New York Yankees to 103 wins in 1980, becoming just the fourth manager in baseball to win 100 games in his first year.

Howser began his professional career after twice earning All-America honors at Florida State. The 1961 *Sporting News* Rookie of the Year with the Kansas City A's, he was a member of the 1961 All-Star team and enjoyed an eight-year Major League playing career.

REMEMBERING THE ROYALS ACADEMY

Former Royals owner Ewing Kauffman challenged the preconceived notions of the baseball world in 1970 with the creation of the Royals Baseball Academy.

"In a few years this will be called Kauffman's folly or they will be calling me the Branch Rickey of the '70s," Kauffman said.

The Academy, which ran 12 months a year, was designed to supply additional talent to the Royals organization by training athletes in Sarasota, Fla. The mission of the academy was to groom raw athletes into baseball players.

The Academy opened its doors on August 10, 1970 with 42 original players. The campus, which also doubled as the Royals spring home, featured five playing fields, a 50-room dormitory, offices, lecture halls, laboratories, tennis courts and a swimming pool. Former Royals Scouting Director Syd Thrift (a future Yankees General Manager) was named as the director of the Academy.

Royals Hall of Famer Frank White joined the Academy in 1970 and was the first member to graduate to the Majors in 1973. White credits the Academy with instilling fundamentals which turned him into one of the best defensive second basemen in baseball history.

Despite the success of Frank White and 13 other graduates who played in the Majors, including U.L. Washington, dwindling class sizes and the cost of the Academy eventually led to its closing in May, 1974.

GAME SUMMARY

Kansas City hosted an MLB All-Star Game for the first time on July 11, 1960. The 28th version of the Midsummer Classic was played at Municipal Stadium with the National League prevailing, 5-3. Two days later, the N.L. would win once again, shutting out the A.L., 6-0, at Yankee Stadium.

The game in Kansas City was attended by 30,619 fans who witnessed the senior circuit get off to a scorching start against A.L. starter and losing pitcher, Bill Monbouquette of the Boston Red Sox.

Willie Mays led off for the N.L. and tripled to right. Mays scored when the next batter, **Bob Skinner**, singled. After consecutive outs from future Hall of Famers **Eddie Mathews** and **Hank Aaron**, another future Hall of Famer, **Ernie Banks**, homered to give the N.L. a 3-0 lead.

The N.L. added a fourth run in the second inning on catcher **Del Crandall's** solo home run and a fifth in the third frame as future Hall of Famer **Bill Mazeroski** drove home Banks with a single to left.

Another future member of the Hall of Fame, **Al Kaline**, blasted a two-run home run in the eighth to bring the A.L. within two runs at 5-3, but that was as close as they were able to get.

No MVP was named, but Mays ended up 3-for-4 with a run scored and Banks added two hits, drove in two and scored two runs.

The game featured 15 future Hall of Famers (plus Hall of Fame managers **Walter Alston** and **Al Lopez**), all indicated in **bold** in the box score. **Ted Williams**, who would retire at the end of the season, grounded out to second base as a pinch hitter in the second inning. Cardinals legend **Stan Musial** recorded an infield single as a pinch hitter in the road half of the eighth.

Al Lopez managed the American League and was joined by coaches **Tony Cuccinello** and **Don Gutteridge**. The National League was managed by **Walter Alston**, who was joined by coaches **Solly Hemus** and **Fred Hutchinson**.

Finally, Hall of Fame umpire **Nestor Chylak** umped both second and first base in 1960 and then returned to Kansas City to umpire home plate during the 1973 All-Star Game.

GAME SUMMARY

Kansas City was the site of the 40th Major League Baseball All-Star Game in 1973 where the National League handed the American League a 7-1 loss.

The game marked the final All-Star appearance of Willie Mays and was attended by members of the first All-Star Game in 1933, including Carl Hubbell, Bill Hallahan, Lefty Gomez, Dick Bartel, Lefty Grove, Jimmie Dykes and Charlie Gehringer.

The A.L. jumped out to a 1-0 lead after a double from **Reggie Jackson** and an RBI single from KC's **Amos Otis**. However, the N.L. All-Stars countered with two runs in the top of the third and also scored in the fourth, fifth and sixth innings. **Rick Wise** earned the win for the N.L. after allowing two hits and one ER in 2.0 innings of work.

Bobby Bonds was named the game's MVP, coming off the bench to go 2-for-2 with a two-run homer in the fifth inning, giving the N.L. a 5-1 lead.

Johnny Bench hit one of the most mammoth home runs in the history of the Mid-Summer Classic, launching a 480-foot solo shot off Bill Singer in the 4th inning over the left field concourse. His homer still stands as the longest in Kauffman Stadium history.

The game featured 17 future Hall of Famers (plus three Hall of Fame managers), including **Hank Aaron**, **Willie Mays**, **Rod Carew**, and **Brooks Robinson** to name a few, while Hall of Fame manager **Joe Torre** played in the game for the National League. The game also featured three Royals - **Amos Otis**, **John Mayberry** and **Cookie Rojas** - and one future Royals manager, **Buddy Bell**, who tripled as a pinch hitter in the third inning. Otis led the A.L. players, going 2-for-2 with the team's only RBI.

Dick Williams managed the American League and was joined by coaches **Whitey Herzog** and **Chuck Tanner**. The National League was managed by **Sparky Anderson**, who was joined by coaches **Gene Mauch** and **Bill Virdon**.

Kauffman Stadium (then Royals Stadium) was the host of the 1973 All-Star Game which featured 17 future Hall of Famers.

GAME SUMMARY

Kansas City hosted its third MLB All-Star Game on July 10, 2012. The 83rd version of the Midsummer Classic was played at Kauffman Stadium with the National League prevailing, 8-0, moving the senior circuit's record to a perfect 3-0 in All-Star Games playing in the City of Fountains.

Eleven pitchers combined on the six-hit shutout for the National League with the win claimed by starter Matt Cain.

The victory was the National League's third straight and clinched home field advantage which proved beneficial for the San Francisco Giants who won the first two games of the 2012 World Series en route to a sweep over the Detroit Tigers. Giants played key roles in the All-Star Game win, including MVP Melky Cabrera, starting and winning pitcher Matt Cain, and 2012 World Series MVP Pablo Sandoval, who connected for a three-run triple.

The game in Kansas City was attended by 40,933 fans who witnessed the senior circuit get off to a scorching start against A.L. starter and losing pitcher, Justin Verlander of the Detroit Tigers, scoring five times.

After a strikeout to open the game, a Cabrera single and Ryan Braun double scored the game's first run. A pair of two-out walks loaded the bases for Sandoval, who emptied the bags with a triple. Dan Uggla followed with a single, driving in Sandoval.

Neither league threatened until the fourth when the National League added three runs, all with two outs, to create the final 8-0 deficit. Rafael Furcal tripled, then scored as his Cardinals teammate Matt Holliday singled. Cabrera followed with a two-run home run to deep left field.

The American League's best scoring chance came in the bottom of the fifth as back-to-back one-out singles from David Ortiz and Mike Napoli and a two-out walk to Asdrubal Cabrera loaded the bases. But Ian Kinsler flied out to end the threat.

Cabrera of the San Francisco Giants, who played with the Royals in 2011, was named the MVP after going 2-for-3 with two RBI and two runs scored.

April 27, 1973 at Detroit
Kansas City 3, Detroit 0

In just his 10th Major League start, 23-year old Steve Busby recorded the first no-hitter in club history by shutting down Detroit on April 27, 1973. His no-hitter was the first in Tiger Stadium since 1952. He allowed 6 walks and struck out 4 in the 3-0 win.

In his next start, Busby allowed just 1 hit in 5.2 innings of work in a 5-3 win at Milwaukee on May 4. Busby picked up where he left off, tossing 5.1 hitless innings until Dave May homered in the sixth inning. Busby didn't allow any more hits but was removed later that inning because of wildness.

The **Royals Autograph Policy** states that credentialed members of the media are **prohibited** from requesting autographs, equipment or photos from players **AT ALL TIMES.** Any violation of these guidelines will result in immediate revocation of the credential and could bar future use.

The **Writing Press Box** is located on Level 6 at Kauffman Stadium. Space is available for members of the working media **ON ASSIGNMENT ONLY**. Seats in the lower level will be assigned to members of the Kansas City BBWAA and other visiting BBWAA members. Other media will be assigned to row two.

The **Broadcast Press Box** is located on Level 4 at Kauffman Stadium. Radio and television broadcasts will initiate from this level.

Wireless Internet Access is available in the main press box free of charge. Please contact a Royals Media Relations member if you are having trouble connecting. In addition, some high-speed lines are provided.

The **Press Room** is located behind to the writing press box on Level 6 for a pregame meal ($10.00 charge) and refreshments and is open for the media with appropriate credentials approximately two hours prior to the game. Complete NOTES, STATISTICAL INFORMATION and LINEUPS are available approximately three hours prior to the game toward the back of the writing press box and in the hallway of the broadcast press level.

Interview periods are arranged prior to and following Royals games through the Royals Media Relations Department.

Pregame: The manager, coaches and players are generally accessible before batting practice on the field and in the clubhouse. Players are not available during stretching and batting practice, and pregame interviews should not interfere with the players' specific game preparations. **Manager Ned Yost** is available to the media before games in the Royals' dugout, usually around 4:30 p.m. prior to 7:10 p.m. games. He may also be available before the clubhouse opens upon special request through the Media Relations Department. We request that reporters and broadcasters leave the field and dugout area at the conclusion of batting practice and that photographers report to their assigned photo positions.

Manager Postgame: The Royals will conduct a postgame interview with the manager in the interview room on Level 1 immediately following each Royals home game. The postgame interview room is specifically designed for, but not limited to, the electronic media. This is the only area where the electronic media may interview the manager postgame. There will be no postgame interviews allowed in the manager's office unless notified by a media relations representative. Postgame interviews with all personnel should be related to the game and not of the feature variety.

Photographers will be assigned to photo bays on the field at either end of each dugout or the bay located in the main press box. Photographers in the dugout field boxes should leave between innings only. Photos are allowed during batting practice, but photographers should remain in foul territory in the area behind the first and third base bags on the dirt warning track. Photographers should assume their assigned positions at the conclusion of batting practice. Wireless Internet is available.

The Royals Clubhouse will be open to the media with clubhouse credentials 3 1/2 hours prior to game time. The clubhouse will be closed for the remainder of pre-game when the Royals are on the field for batting practice. Members of the media must have a specific reason for clubhouse access to gain admittance and are asked not to loiter. For postgame interviews, the clubhouse will open approximately 10 minutes following the game. The Royals' clubhouse will be closed between games of a doubleheader. There will be occasions when the Royals may request the clubhouse be cleared for team meetings and we ask your cooperation at these times. The players' lounge, training room, coaches' office adjacent to manager's office and conditioning areas are closed to everyone except players, coaches and Royals officials. The dugout is off limits in accordance with American League rules during the game to everyone except the manager, coaches, players and certain club officials. Still photographers are not permitted in the clubhouse. Television cameras are only permitted to shoot player interviews.

Live Transmissions are permitted by non-rightsholders from Kauffman Stadium prior to and after every game telecast. Live television reports by non-rightsholders are prohibited while the rightsholder is on the air or if the game is in progress. Radio stations and assigned correspondents for out-of-town reports are allowed to give inning or half-inning score updates. At no time can these correspondents file reports once play is under way. Any violation of these policies will result in immediate revocation of credentials.

The use of **Cellular Phones**, including text messaging, is prohibited on the field, in the dugout and in both clubhouses. The only time a radio correspondent can use a cellular phone for an interview would be in either dugout after receiving advance permission from the player and/or staff member. Any other telephone interviews must be arranged through the Royals Media Relations Department.

MLB dress guidelines were created prior to the 2012 season. The media is expected to comply with these policies. Please see the posted policy in the press box on Level 6 at Kauffman Stadium or request a copy through the Royals Media Relations Department.

DENNY MATTHEWS

Announcer

Denny Matthews, the 2007 Ford C. Frick Award winner, was honored during the Hall of Fame Induction Ceremonies in Cooperstown on July 29, 2007. He became a member of the Royals' Hall of Fame in August of 2004 and will celebrate his 46th season behind the microphone for the club in 2014. The "Voice of the Royals" has broadcast exclusively for the same team, without interruption, in six different decades. Matthews is a 2005 Missouri Sports Hall of Fame inductee.

In 2008, Matthews became one of just five announcers in the history of MLB to spend an entire career with just one team and log at least 40 consecutive seasons behind the microphone. He joined Vin Scully (Brooklyn/Los Angeles, 64), Jaime Jarrin (Los Angeles, 55), Bob Prince (Pittsburgh, 48) and Jack Buck (St. Louis, 47) as the only broadcasters to accomplish the feat.

Matthews has seen more Royals games than anyone else during his 45 years with Kansas City. He was chosen from more than 300 applicants for the No. 2 announcer position alongside the late Bud Blattner prior to the Royals initial season in 1969, before taking over the No. 1 job following the 1975 season. He teamed with Fred White on the Royals Radio Network from 1974-98 before Ryan Lefebvre joined him in the booth in 1999 through 2007. Bob Davis, Steve Stewart and Steve Physioc have served as Denny's partners since the beginning of the 2008 season.

The veteran broadcaster has lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and 1985 World Series. He worked with Hall of Famer Ernie Harwell, calling the CBS broadcast of the 1982 ALCS between the Angels and Brewers.

Matthews is active in the Kansas City community and dedicates his time and resources to several area charities, including the SAFE program, a charity that supports families of fallen policemen, firemen and emergency workers, as well as Operation Lifesaver, a railroad crossing safety and awareness program. He is also the author the two books: the 2004, "Tales from the Royals Dugout", and the 2009 "Hi, Anybody" and co-author of the 1999 book "Play by Play-25 Years of Royals on Radio."

Matthews graduated from Central Catholic High School in Bloomington, Ill., and was inducted into the school's Hall of Fame in August, 2001. He is a 1966 graduate of Illinois Wesleyan where he lettered in football and baseball for three years and finished eighth in the nation (NAIA) in pass receiving in 1965.

Prior to joining the Royals, Matthews worked for WMBD-TV and radio and KMOX-TV. His brother, Mike, is the radio analyst for Illinois State University basketball.

STEVE PHYSIOC

Announcer

Steve Physioc returns for his third season with the Royals and will serve both as a voice on the Royals Radio Network and as a play-by-play broadcaster for 55 regular-season games on FOX Sports Kansas City.

He was awarded a Mid-America Emmy in 2013 for his outstanding work on Royals' broadcasts.

Physioc worked 14 seasons for the Los Angeles Angels from 1996-2009 as the television play-by-play voice on FOX Sports West and KCOP. In addition to his television duties, Physioc also worked on the Angels radio broadcasts on AM 830.

A graduate of Kansas State University in 1977, he was the voice of Wildcats football and basketball from 1979-82. During that time, he also served as a sports anchor for WIBW-TV in Topeka, Kan., from 1979-83. His sports anchor career continued at WLWT-TV in Cincinnati from 1983-87 and KTUV-TV in Oakland, Calif., from 1987-89.

Physioc began his Major League play-by-play announcing career in 1983, broadcasting Cincinnati Bengals football and Cincinnati Reds baseball through the 1986 season. He then moved to San Francisco where he worked as a Giants announcer in 1987 and 1988. Physioc moved from the Giants to ESPN in 1989, where he broadcast Major League Baseball, college basketball, baseball and Big Ten football. Reliever of the Year in 1993, finishing tied for the league lead with 45 saves, matching a club record at that time. He also holds the club record for career appearances (686) and ranked ninth on MLB's all-time saves list at the time of his retirement.

Remembering Splitt and Fred

Paul Splittoff (1946-2011)

The Royals lost a legend and a friend on May 25, 2011. Paul Splittorff, a Royals Hall of Famer and the club's all-time winningest pitcher, lost his courageous battle with melanoma.

"Splitt" joined the broadcast booth after retiring from the game in 1984 and worked for 24 years as an analyst for Royals television.

He joined the Royals organization in 1968 and compiled a 166-143 record with a 3.81 ERA in 429 games during his 15-year playing career. In addition to recording the most wins in Royals history, the left-hander also owns the club record for starts (392) and innings pitched (2,554.2). He became Kansas City's first 20-game winner in 1973 and was inducted into the Royals Hall of Fame in 1987.

Splittorff is survived by his wife, Lynn, daughter, Jennifer, and son, Jamie.

Fred White (1936-2013)

The Royals lost another longtime icon on May 15, 2013, when Fred White passed away due to complications with melanoma.

White, an Illinois native, was a broadcasting staple in the Midwest, highlighted by 25 years in the Royals' radio booth. A sports anchor at nearby WIBW-TV in Topeka, White was the voice of Kansas State athletics until he joined the Royals in 1973. When not calling games for K-State or the Royals, the popular announcer was the voice of the Big Eight, later the Big 12 Television Network during basketball seasons. He also called events for ESPN, CBS, NBC and TBS.

After leaving the Royals' broadcast booth, White continued to keep his hand in the industry, heading up the Royals Radio Network as well as supervising the Royals Alumni.
